## BUSINESS BOOSTER FREE AD FOR LOCALS

# Grapevine

The One Tree Hill Progress Association is offering a small amount of **free advertising space** available to One Tree Hill businesses and organisations, to help support the local community during the COVID-19 business downturn.

The aim of the offer is to increase their exposure in the local district by providing a sponsored advertising promotion. This offer is for the May, June and July editions.

### TERMS & CONDITIONS:

- Businesses/organisations must be eligible to advertise in the Grapevine, that is *“To advertise in the Grapevine you must live in One Tree Hill or the surrounding area, or operate a business that provides a unique service to the district.”*
- Applicants can be current, past or new advertisers. We request that pre-booked advertisers honour their existing commitments, and encourage them to take up this offer in addition to their current advert.
- We suggest advertisements focus on the people in their organisation, rather than just their services/products.
- FREE ADVERTISING SPACE is limited to one 1/8th page advert to run in our May, June & July editions. Dimensions are 95mm width x 62mm height.

### APPLICATION PROCESS:

- Make contact with the Editor at [grapevine@onetreehill.org.au](mailto:grapevine@onetreehill.org.au) to ensure you meet the Grapevine advertising conditions.
- If approved, you will be provided with application instructions to submit your application and ad, by the due dates (22Apr/20May/17Jun).
